**Education:**

**California Institute of The Arts, Valencia, Ca  
Bachelor of Fine Arts, Film & Video  
Bachelor in Philosophy, Paris, France**

**Personal:**

**Through my international education and my diverse work experience, I have developed the ability to easily understand directors' concept and thus assist the flow of ideas to create the aesthetic of a moving image. Speaking different languages helps me understand the mystery of visual communication and therefore create a mystery of that unspoken language, Cinema.**

**Fluent in English and French, some Spanish and Arabic.**
